SUMMARY

Entry-level Java Full Stack Developer with strong academic and practical knowledge in Java, Spring Boot, web technologies, and MySQL. Seeking an opportunity to contribute to software development projects while enhancing my professional expertise.

TECHNICAL SKILLS

Frontend: HTML, CSS, Bootstrap, JavaScript, TypeScript, jQuery, React.js

Backend: Java, Spring Boot, JEE, Python

Database: MySQL, JDBC

Additional Programming (Academic): C, C++, Visual Basic

Soft Skills: Problem-Solving • Team Collaboration • Communication • Adaptability • Quick Learner • Mentorship

WORK EXPERIENCE

Assistant Professor, Department of Computer Science, Park's College, Tirupur. 19/06/2015 - 25/04/2016

- Taught undergraduate courses in computer science department, including programming languages.
- Developed and delivered lectures, created assignments and exams, and provided mentorship to students.
- Collaborated with colleagues and participated in departmental meetings and activities. Engaged in research activities and published papers in relevant conferences and journals.

ACADEMIC PROJECTS

E-commerce Web Application (*In Progress*)

Tech Stack: React.js, Spring Boot, MySQL, REST API

- Developing a full-stack e-commerce platform with user authentication and product management. Designed responsive frontend using React and Bootstrap. Implementing secure login using JWT authentication
- Working on features like cart, order management, and payment integration . Integrated frontend with backend APIs for dynamic data handling

Personal Portfolio Website

Tech Stack: React.js, Bootstrap, Spring Boot

- Designed and developed a responsive portfolio website to showcase projects and skills
- Implemented smooth scrolling, animations (AOS), and interactive UI components. Built contact form integrated with backend (Spring Boot)

Movie Ticket Reservation System (*Backend / Console-Based*)

Tech Stack: Java , JDBC, MySQL

- Developed a backend-driven movie ticket booking system focusing on business logic and data handling. Designed database schema for movies, shows, and bookings
- Applied object-oriented principles to structure the application efficiently

EDUCATION

Master of Philosophy in Computer Science – 2014 - RVS College Of Arts and Science, Coimbatore.

Bharathiyar University, Coimbatore.

Master of Science in Computer Science – 2012 - Mahendra Arts & Science College, Namakkal.

Periyar University, Salem.

Bachelor of Science in Computer Science – 2010 - Mahendra Arts & Science College, Namakkal.

Periyar University, Salem.

CERTIFICATIONS

Master Program in FULL STACK – JAVA, FITA Academy, Tirupur.
